

## Mississippi Standards Alignment

Mississippi Early Learning Guidelines available online at <https://www.mdek12.org/sites/default/files/docs/News/tab-01-early-learning-guidelines.pdf>

Each set of early learning standards or guidelines listed below include statements that detail particular benchmarks or indicators that educators and caregivers use to identify a child's growth and mastery in each domain. These benchmarks or indicators are used when observing and documenting a child's actions in order to develop appropriate goals.
