

## Vermont Standards Alignment

Vermont Early Learning Guidelines for ages 0 to 5 available online at

<https://education.vermont.gov/sites/aoe/files/documents/edu-early-education-early-learning-standards.pdf>

Each set of early learning standards or guidelines listed below include statements that detail particular benchmarks or indicators that educators and caregivers use to identify a child's growth and mastery in each domain. These benchmarks or indicators are used when observing and documenting a child's actions in order to develop appropriate goals.
